

13<sup>th</sup> Oct '16 – 28<sup>th</sup> Oct '16 Preprimary Newsletter

## News of the Fortnight/Month

### Celebrations:

- **Dussehra** is an important Hindu festival. The significance of festival lies in its religious value. It is celebrated all over the country in honour of Rama's victory over Ravana. Our children actively participated in paper craft activity of making Ravana effigies on 7<sup>th</sup> Oct whereas teachers presented a skit and depicted the whole Ramayana through acting and taught children the message of "**victory of the good over the evil**".
- **Diwali** is a festival of joy, light and splendour. It is in our hands to celebrate it in a **safe and green way. Be Eco friendly**. Celebrate Diwali with a difference, keeping in mind an important cause; that of saving our planet. **This time we are emphasizing on celebrating Green Diwali** on 28<sup>th</sup> October. "SPREAD LOVE, NOT SMOKE", This message of pollution free diwali was conveyed through a skit presentation and dance performances by our children. The children are being advised not to burn the firecrackers at all.

### Fun time:

- **Quiz Mania** to gauge the mental growth, knowledge, ability to express a quiz competition was held on 15<sup>th</sup> Oct, 2016. Our children showed their confidence and actively participated in one on one round, sang melodious songs and answered spontaneously to random questions. Parents were happy and highly appreciated the efforts of their little ones.
- **Purple Day** This color is associated with royalty, nobility, luxury, power, peace, pride and ambition. On 21<sup>st</sup> 2016 Preprimary children and teachers came dressed in purple/magenta attires. They were taken to purple corner and performed various activities as like mixing of colors and coloring the brinjal.
- **Jelly making** is a fun activity and yummy too. Playing with Jelly is a sensory activity for kids to explore through their senses. The jelly smelt sweet and fruity, tasted yummy and sweet, sounded like popping bubble wrap and looked colorful and lumpy. Children will learn how to make jelly with the help of teacher on 26<sup>th</sup> Oct 16.
