To,
The Director
Delhi Fire Service HQ
Connaught Lane
Connaught Place
New Delhi-110001

Sub: Issuance of Fire Certificate

Sir,

This is with reference to your letter no F.6/DFS/MS/School/2023/SZ/370 dated 31/08/2023 regarding FSC, your department has advised to submit the IIIrd Floor building Sanction Plans.

This is to inform you that we have started the construction work of the 3rd floor before Covid-19 and installed proper fire system but we are unable to continue to finish the construction work due to less section/students in the school due to covid-19.

We have not required extra floor at this time as per the strength of the school.

So, request you to kindly issue Fire NOC of our school as per the previous one, Ground Plus two and half upper floor to terrace.

Whenever the 3rd floor is required by us in future then we will take the proper sanction from the concerned department and same will inform at your department.

Thanking you,

Yours faithfully,

For Hope Hall Foundation School
